

**Pedro Morales**

Natural Resource Management Specialist  
DoD Legacy Resource Management Program

Mr. Morales joined the DoD Legacy Program in 2003 as part of the DoD natural resources program's staff assisting in the review of proposals submitted to the Legacy Program and the selection of approved Legacy projects. He serves as the primary point of contact for issues related to Legacy Program funding obligation and for technical issues related to the Legacy Tracker website. He also serves as alternate council member representing DoD at the Cooperative Ecosystem Studies Units Network Federal Council, and assists DoD's CESU Regional Coordinators in the implementation of the CESU Partnership. Mr. Morales obtained a B.S. Degree in Geology from the University of Puerto Rico-Mayaguez in 1993, and completed his M.S. degree from Purdue University in 2000.
